KIERKEGAARD - THOUGHTFUL TEXTS

As part of the celebration of the writer and philosopher Soren Kierkegaard (1813-1855) 200 th birthday in 2013, is now available in book form a collection of thought-provoking pieces of text.

It is a collection of texts that shows Kierkegaard's literary abilities. The image is saturated, and a large proportion of them are very rhythmic and melodic, which has inspired several composers to put his lyrics to music. This is a collection of texts with different contents, there are many places to show us the dialectical Kierkegaard. There are, of descriptions, lyrical and philosophical and religious texts.

It is the writer and philosopher Jens Staubrand who have chosen and very sensitively changed Kierkegaard's texts into modern Danish and it is Jean Marie Guttermann who has designed the book's illustrations.

Facts: *KIERKEGAARD Gift dig, gift dig ikke, du vil fortryde begge dele, og andre korte tankevækkende tekster*, ved Jens Staubrand [KIERKEGAARD Marry, marry not, and other short thought-provoking texts, by Jens Staubrand – the books is only in Danish]. ISBN 978 87 92510 08 2. Number of pages: 208. Price: 225 DKK.
