PRESS RELEASE

KIERKEGAARD – AND REGINE OLSEN

As part of the celebration of the writer and philosopher Søren Kierkegaard's (1813-1855) 200th birthday in 2013, is now available a edited and illustrated version of Regine Olsen and Søren Kierkegaard's love story, which is one of the world's most beloved stories.

The book contains Kierkegaard's letters from 1840-1841 to Regine Olsen, a number of drafts to one letter, Kierkegaard in 1849 sent to Regine Olsen, after she married Johan Frederik Schlegel, a selection of key texts from Søren Kierkegaard's *Papers on Regine Olsen* and Regine Schlegel memories of Søren Kierkegaard, told about sixty years after the break between them.

Only a few days after Kierkegaard had proposed to Regine Olsen, he regretted. He wanted to get out of the relationship and therefore played, which you can read in the book, an unfeeling, but witty and wanton villain, not he argues to hurt her, but to get her over his break with her quickly. 'It is a horrible game You have played with me', says Regine Olsen to Kierkegaard and continues: 'Will you never marry?' 'Perhaps' Kierkegaard answers coldly, 'maybe in ten years time, when I have spent myself then I maybe find a young woman to rejuvenate me'.
